Oh, Mass Effect, Mass Effect
We just want to say
From everyone at BioWare:
HAPPY HOLIDAYS!

Mass Effect, Mass Effect
Shepard's on his way.
He's out spreading
Christmas cheer
Throughout the mass relays.

Oh, Mass Effect, Mass Effect
We just want to say
From everyone at BioWare:
Happy holidays!

All through space we fly
In the spaceship Normandy
Placing presents bright
Under the Christmas tree.

Liara and Garrus sing
Wrex and Tali too;
And Kaiden and Ashley
want to bring
The season's joy to you. Oh!

Mass Effect, Mass Effect
Shepard's on his way.
Whichever way you celebrate,
Just celebrate today.
